Work breakdown form

William

System Requirements , Enumerated Nonfunctional Requirements , System Sequence Diagrams , Class Diagram , Traceability Matrix ,

Scott

Enumerated Nonfunctional Requirements , Preliminary Design , User Effort Estimation , Persistent Data Storage , Network Protocol , Global Control Flow

Andy

Problem Statement , Preliminary Design , User Effort Estimation , Persistent Data Storage , Network Protocol , Global Control Flow

Mike

Stakeholders , Actors and Goals , User Interface Requirements , Architectural Styles ,

Abbot

Enumerated Functional Requirements , Mapping Subsystems to Hardware , Identifying subsystems

Alan

Problem Statement , System Requirements , Interaction Diagrams , Class Diagram , Data Types and Operation Signatures ,
